What is Sponsorship?

Commercial Sponsorship provides your business with the opportunity to increase visibility and awareness of your product and services within the RAF Lakenheath community while enhancing and expanding the vital programs that contribute to the quality of life for Air Force members and their families.

The 48th Force Support Squadron promotes over 400 different, specifically-targeted events per year. We have a diverse array of potential customers at our golf and bowling tournaments, club events, youth programs, leisure and travel trips, fairs and festivals.

*The Commercial Sponsorship Program is a Department of Defense Program, which authorizes Force Support Squadrons to give public recognition and limited advertising in return for sponsorship, e.g., the sponsor name/logo printed on a flyer, program or banner, plus announced at the event. Other base agencies and unofficial organizations and activities may not solicit commercial sponsorship from on-base or off-base businesses. While you may choose to contribute to the Air Force through such organizations, you will lose much of the exposure you would gain through the official Commercial Sponsorship Program.

Sponsorship Options:

Direct Financial Support

Cash to be used to offset the costs of events and programs.

In-Kind Products

Products or services to enhance events and programs.

Prizes

Products, gift certificates and servicerelated prizes of all types, none too small or large.

Such as uniforms, equipment, medals, trophies, etc. for various sports programs.

Gifts and donations in the form of cash, products & services are accepted and always appreciated. Publicity and recognition for gifts and donations are limited.
